Corporate Lodging

A great many artists use a travel service called "Corporate Lodging" www.checkinncard.com for discounted rates while traveling. We use them on a regular basis, and have found the following 2 hotels within reasonable driving distance from the show, (about 10 miles), close to grocery, etc., have on site laundry (a nice thing to have when traveling), both have full sized kitchens in each room, are in secure areas with ample parking for vans and trailers, and are under \$80 a night with the CLC rate.
