Florida CraftArt is a dynamic, nonprofit organization that has been at the center of St. Petersburg's artistic renaissance. Located at 5th and Central Avenue, visitors discover original fine craft, such as handmade jewelry, glass, ceramics, wood and fiber. More than 250 of Florida's finest craft artists are showcased in the main gallery. Annually there are nine curated shows in the exhibition gallery with artists from around the corner and around the globe. Admission is free to our galleries. Our educational programming includes lectures and hands-on activities and workshops for adults and children.
