

As a community, we can all help each other to be **healthy and safe**. As we continue to adapt during this time, we ask you to please follow the Florida CraftArt protocol that we have prepared along **CDC guidelines**:

We love our Customers and Members.

We believe in hospitality. We are doing our best to keep you, our staff, our volunteers, our artists, and our community safe.

We ask for your patience as we get through this. We want to be here to serve you, the community, and hundreds of artists who depend on us for income for the past 75 years.

Let's ALL be Safe.

Kindly allow us to take your **temperature** as you enter. We do ourselves, every day for your safety. If a staff member or volunteer has a temperature of more than 100 degrees, he or she cannot work.

When entering the building, guests are asked to wear a **face covering**. If you do not have one, we will provide a disposable mask or you may purchase a handmade covering made by an artist.

Please **sanitize your hands** when entering the building. Containers are just to the side of the door. Kindly respect the 6-foot rule as much as possible. We are all depending on each other to stay alive and healthy.

Please avoid touching items as it helps to protect all of us. Our staff is happy to assist you with anything that you would like to see.

Thank You.

We sincerely **appreciate your patronage and support**. We thank you for your patience and understanding. We are doing the best we can to serve the fine craft artists of Florida along with our community.

Your feedback is always welcome about how we can improve.

Limit Capacity.

We are open for the time being by appointment only, **Tuesday to Saturday 11 a.m. – 5 p.m.** Please call Gallery Manager Liz Rogers to schedule a personal appointment time at 727-821-7391.

Please respect that we limit the number of people in the gallery at one time and are following **6-foot social distancing** guidelines.

Be Efficient.

We have upgraded our payment options to include a **self-service credit-card terminal with touchless option**; we would prefer a **cashless transaction** if possible.

We disinfect all high-use areas regularly, along with door handles and all transaction instruments after each use. Thanks for letting us know if you need assistance with anything.

We have limited supplies of printed materials behind the counter with exhibition schedules, membership forms and additional art collateral. Available upon request.

If you call the gallery and we are unable to answer because of limited staff, please leave a detailed message and a call back number.

Let's get it right!

We have set enhanced health and safety guidelines which must be followed while visiting Florida CraftArt. An inherent **risk** of exposure to COVID-19 exists in any public place where people are present. By visiting Florida CraftArt, you voluntarily assume all risks related to exposure to COVID-19 and **hold Florida CraftArt harmless** for any and all consequences of your visit.
