

CRAFTING A DREAM

Florida CraftArt's 75th Anniversary

Crafting a Dream is more than a fundraiser—it's a celebration 75 years in the making. Join us on December 5, 2026, as we transform the historic Boca Ciega Ballroom into a vibrant 1950s tiki celebration filled with tropical flair, dancing, drinks, exciting auctions, and unforgettable moments.

As Florida CraftArt celebrates 75 years of championing artists and enriching communities through creativity, your sponsorship will help shape the next chapter of our story while connecting with community leaders, artists, collectors, and supporters.

ABOUT FLORIDA CRAFTART

Today, We Nurture the Next Generation of Artists.

Through initiatives like FCA Youth Arts Programming, young people explore, imagine, and create while gaining confidence, building skills, and discovering what is possible. For artists launching their careers, the FCA Emerging Artist Program provides mentorship, professional development, and exhibition opportunities that help turn creative passion into sustainable success.

**When we invest in creativity,
we invest in brighter futures**

We Believe in Arts Access for All.

Our Florida Artists Gallery is dedicated representing Florida fine craft, creating opportunities for artists to build sustainable creative careers. Alongside the gallery, our exhibition space presents 8 curated exhibitions annually, featuring artists from Florida and beyond.

Through artist talks, hands-on experiences, and community partnerships, we invite visitors to engage with the creative process in meaningful ways. With no cost for admission year-round, Florida CraftArt remains committed to making art accessible to all.

A Lasting Impact

30,000+

Annual visitors to
our galleries and
programs
